In reply to his petition No. 53 of the 29th ultimo Mr. Narsappah is informed that the Government has reserved the items of Abkári and Sayer in all inám villages, and Colonel Clerk in his Settlement of the Petitioner's village of Keelára, allowed a deduction from the amount of the Quit-rent equal to the average of the past 10 years collections, as compensation; the Superintendent of Inam Settlement regrets, therefore, that he must decline to

Serial No. 3

General No. 5552
R No. 350

Passing orders on Dr Bukshi Narasapa's request regarding the imposition of Civil Rent on his Inam village of Neelara preferred in his petition to this Office.—

Rec'd

must therefore be rejected.—

2. It is not clear to the Ctf. Court that the date given in Boland's oath & have been resumed. If no special reservation was recorded in the grant in connection with it, and its assignment to the grantee was absolute — points which must be determined on a scrutiny of the wording of the Sanad granting the topes, —

tion, in such cases,
the grove ought
not in the opinion
of Sir Richard Meade,
to have been removed.

The right of the
Mundar & draw
and sell Toddy, at
the shop should
of course cease,
but the tope should
have been left to him,
and it would have
been for him to
arrange with the
toddy contractor
to utilize the liquor
as is now done in
the case of date

trees on occupied lands in settled Talooks. If the withdrawal of the rights previously enjoyed in this matter involved any loss to the Zamindar, such should have been considered and a reasonable sum fixed as compensation therefor.

3. The 3rd point of appeal is the inadequacy of the amount fixed as compensation for the Toddy & Sayer

revenue of which
the Mandan has
been deprived.
As regards Toddy,
the question should
probably be reconsidered
with that of the
Date groves, if
~~re-opened~~ re-opened.
But the Mandan
must be bound
by the acts of his
Agent in making
his claims on this
head, and there
is nothing in the
reasons he assigns
to warrant a re-
consideration of
the question of the

amount of com
pensation awarded
him at the settle-
-ment.

4. On the above
grounds, the only
point which seems
to call for re-enquiry
is the resumption
of the Date grove,
and the re-adjust
ment, if necessary,
of the compensation
assigned for the
withdrawal of the
right of sale of
Toddy at the Shop
the Sayer com:
pensation
arrangement
will not be

disturbed
